Press Release April 8, 2014

On April 8, 2014, at approximately 12:47 pm, Lake County Sheriff's deputies responded to the beach near the Fairport Harbor lighthouse and break-wall. A bird watcher had come upon a body on the water's edge of the beach, about 1,300 feet west of the Fairport Harbor lighthouse.

The Lake County Coroner responded to the scene. He ordered the body to be transported to the Cuyahoga County Coroner's Office for a forensic examination.

The tattoos indicate the possibility that this is an adult Hispanic male.
